CLIMB[®] at Cancer Care West

**Are you living with a cancer diagnosis?
Do you have children aged between 5 and 12 years?**

If so this course may be of interest to you.

This is a six week Group support for children aged 5-12 who are experiencing the impact of a parent's cancer diagnosis. Using drama, art and play children develop an understanding of cancer and learn to deal with their feelings. The group meets in the evening so as not to disrupt school attendance.
